## MEET THE TEAM

### MISS LEONIE

LMJ Dance was created in March 2023 by professionally trained dancer Leonie Molly Jones.

Leonie graduated from London Studio Centre in 2021 with a first class BA(Hons) degree in Theatre Dance, specialising in contemporary dance!

Since graduating Leonie has been teaching dance full time at dance schools in and around South-East London, spreading her love of dance to the younger generation of dancers and adult learners.

Leonie has performed on prestigious stages such as Sadler's Wells and The Piccadilly Theatre!

### MISS CHIARA

Miss Chiara has trained at the Arts Educational school in London and The Northern Ballet School in Manchester! She has been teaching for LMJ Dance since the beginning and the students absolutely love her, we are so lucky to have her teaching for us!
